For All Your Medical Needs & Advice

➢ <u>Offline Medical Consultation</u>: - Ask a Query For Free to a doctor which will be answered in 1-24 hours.

For Example – As soon he clicks <u>Ask a Query</u> – options should come – Offline Consultation (users are not allowed to submit query without registration and as a user they can ask 5 questions for free maximum which will include only one doctor.)

➢ <u>Specialties'</u> :- All the Medical Specialties' should be mention (few on home page and then MORE button takes user to a separate homepage)

Doctor's profile to user should be visible in the best info like ratings, comments, years experienced. (Can refer other websites or present website)
